

November 2, 2017

Harold Akyeampong
Ghana Chapter

Dear Harold,

Thank you for your Chapter Grant application for 2018 chapter activities. Grants are primarily awarded based on the merit of the application describing outreach programs or activities for your chapter. Other factors also taken into consideration include active members and chapter reports. Not all applicants who applied for a grant were awarded.

The grant committee met to review your application, and the Ghana Chapter of PAS has been awarded **\$300** for your 2018 programs.

These funds will be available to you after the first of the year. The grant award will be processed using the invoice system that is currently in place, found on the [Chapter Services webpage](#) and described in the Chapter President's Handbook. Please contact PAS Membership Services Manager, Justin Ramirez (jramirez@pas.org), with any questions about the invoicing or payment process.

We continue to encourage each chapter to explore ways of generating income throughout the year by hosting contests or events, but most importantly at your Day of Percussion. Being creative in community outreach programs by engaging students, educators, hobbyists, and professionals will make them feel invested in the chapter, and will be key to the future of the chapters and PAS.

Thank you for all of your hard work with the chapter activities and your ongoing support of PAS. If you have any questions regarding your grant award, please don't hesitate to contact me (jsimonds@pas.org), or Justin. You can reach both of us at the PAS Office at 317-974-4488.

We look forward to receiving and reading your 2017 grant and chapter reports.

Sincerely,

A handwritten signature in black ink that reads "Joshua Simonds". The signature is written in a cursive, flowing style.

Joshua Simonds
Executive Director
